

## REMARKS

In the Notice of Non-Compliant Amendment, mailed February 05, 2008, the Examiner asserts that Claims 62 and 78 were amended but incorrectly identified as "previously presented" in the Amendment mailed November 6, 2007. Responsive to this Notice, in accordance with 37 CFR §1.121, Applicant submits a corrected "Amendments to the Claims" section of the amendment.

With respect to Claim 62, the status identifier is corrected to read "Currently amended."

With respect to Claim 78, Applicant notes that the recitation of "A," previously deleted with double bracketing in the Amendment mailed July 9, 2007, inadvertently was included in the claim as set forth in the amendment mailed November 6, 2007. Accordingly, the claim is to remove the previously deleted subject matter. The status identifier is not changed because claim 78 it is not currently amended.

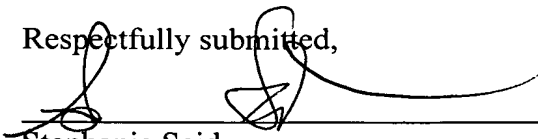

Similarly, recitations of "A" in Claim 46 and "of" in Claim 62, deleted with the amendment of July 9, 2007, also inadvertently were included in the Amendment mailed November 6, 2007. These claims also are corrected to remove this previously deleted subject matter.

Any fees that may be due in connection with filing this paper or with this application may be charged to Deposit Account No. 02-1818. If a Petition for Extension of time is needed, this paper is to be considered such Petition.
